**Important**

**Sub :- Regarding norms of uploading photographs in AB-PMJAY Claims**

Dear EHCPs,

Certain guidelines need to be followed while uploading photographs along with claim documents on the portal.

- 1- No photographs showing private parts of beneficiaries is allowed. Hospitals violating this norm may be debarred from the scheme.
- 2- Photo on bed should clearly show the type of ward (ICU/HDU/Routine).
- 3- Pre operative photos should highlight the disease e.g. pterygium, cataract, growth/swelling, open wound, deformity etc.
- 4- Post operative pics of scar/stitched wound (except on private parts) must be uploaded.
- 5- Unnecessary intra operative photographs need not be uploaded.
